St. Monica Roman Catholic Church of Rochester Vision and Mission

We are a Resurrection people rooted in our rich Catholic heritage. We are growing in the *SPIRIT*, as individuals and as a faith community. We answer the CALL to LIVE OUT our Baptismal VOCATION in our daily lives, bringing the LIGHT of Christ's presence to our families, workplaces, neighborhoods and the WORLD.

We dare to LIVE the LIFE of Jesus Christ, transforming discouragement into HOPE, fear into LOVE, isolation into COMMUNITY.

From Cosmic Dust to Life Abounding: Our Kinship with All Creation

"Our sense of who we are and what our role is must begin where the universe begins," writes Fr. Thomas Berry. Recognizing our place in the new cosmic story calls us to new ways of relating to God through creation. Come explore a spirituality of intimacy with the natural world.

Facilitators: Anne Curtis, RSM and Holly Rockwell

Fee: \$90 for series or \$40 per session

Dates: Tuesday, Wednesday, Thursday, July 16, 17 and 18, 2019

Time: 9 am - 12 noon

Location: St. Bernard's School of Theology and Ministry

**SOCIAL JUSTICE
CORNER**

**RACISM: "Open wide Your
Hearts - An Enduring Call to
Love" - USCCB**

Experiencing racism is not limited to African or Native Americans. Many different groups of people have encountered "in varying degrees the evil of discrimination, racial prejudice, and oppression that endangers the very fabric of American society. Some of the same patterns of prejudice and discrimination have been repeated. Since the Mexican-American War, Hispanics from various countries have experienced discrimination in housing, employment, healthcare, and education. Hispanics have been referred to by countless derogatory names, have encountered negative assumptions made about them because of their ethnicity, have suffered discrimination in applying for college, for housing, and in registering to vote. Despite their sizable share of the U.S. workforce and their numerous contributions to U.S. economy in many different fields and industries, the large income gap between Hispanic and European Americans points to the persistence of certain discriminatory practices in employment and pay.

BLUE BAG COLLECTION: The Blue Bag collection for July is scheduled for SWEM. The bags with a list of suggested items attached will be distributed on July 6th and 7th. The collection will be the following week, July 13th and 14th. Thank you for helping our neighbors in need.

Supreme Court: Citizenship can't be included on census. Writing for a 5-4 majority, Chief Justice John Roberts concluded that there was sufficient reason for concern about why the Commerce Department wanted to add the question. Roberts had the support of the four liberal justices. Census data affects more than \$800 billion dollars in federal programs which are not meant only for US citizens but all those living within our borders. Some of those programs include School to Lunch, Head Start, Section 8 Housing, Special Education among others.
